

The Complete Guide To Mountain

Shimano does produce cheaper, non-series general-purpose components but Acera is its entry-level complete groupset. That said, flat-bar bikes such as mountain bikes and hybrids tend to feature mixed specifications with a recipe of parts from different groupset series — and sometimes even different brands — so the focus on complete groupsets isn't quite as strong as in the road bike market.

The complete guide to Shimano's mountain bike groupsets ...

In this book you will learn quick and easy tips to help you purchase your mountain vacation home. You will discover how easy it is to find the dream mountain town, and the dream home for you and your family.
