### **The Constitution of Society: Outline of the Theory of ...**

In his book The Constitution of Society: Outline of the Theory of Structuration, Anthony Giddens develops his structuration theory. The basis for Giddens theory is an attempt to explain human agency and social structure, and how the two together, explain social life and interactions within our social system.

### **The Constitution Of Society : Outline Of The Theory | Bartleby**

Anthony Giddens has been in the forefront of developments in social theory for the past decade. In "The Constitution of Society" he outlines the distinctive position he has evolved during that period and offers a full statement of a major new perspective in social thought, a synthesis and elaboration of ideas touched on in previous works but ...

### **The Constitution of Society: Outline of the Theory of ...**

"It is likely that this book will be regarded as the most important piece of grand sociological theory in English of the past decade."—Mark Poster, University of California  
"This book will take its place alongside such major statements of sociological theory as those of Parsons and Habermas. Anyone interested in the state of the social ...
