

The Dama Guide To The

The “body of knowledge” about data management is quite large and constantly growing. To respond to this challenge DAMA International provides the DAMA Guide to the Data Management Body of Knowledge, or DAMA DMBOK, as a “definitive introduction” to data management.

Body of Knowledge | DAMA

DAMA International is a not-for-profit, vendor-independent association of technical and business professionals dedicated to advancing the concepts and practices for data resource management and enterprise information. The primary purpose of DAMA International is to promote the understanding, development, and practice of managing data and information to support business strategies. DAMA International has chapters throughout the world.
