

The History Of The English

The main part of this website, the History, can be read as a kind of story, in chapters, following the development of the English language from its Indo-European origins, through Old English and Middle English to Early Modern English and Late Modern English, before a brief look at English Today.

The History of English - How the English language went ...

History of English. The system of orthography that became established during the Middle English period is by and large still in use today – later changes in pronunciation, however, combined with the adoption of various foreign spellings, mean that the spelling of modern English words appears highly irregular.

History of English - Wikipedia

History of English This page is a short history of the origins and development of the English language The history of the English language really started with the arrival of three Germanic tribes who invaded Britain during the 5th century AD.

The History of the English Language - ThoughtCo

Here is a list of important dates in the development of the English language. The selection of events is my own, and the dates are approximate in some cases, but it gives at least some idea of the time-scales involved, and puts the developments into some sort of perspective.

The History of English - Timeline

The British Isles became inhabited more than 800,000 years ago, as the discovery of stone tools and footprints at Happisburgh in Norfolk has revealed. The earliest evidence for early modern humans in North West Europe, a jawbone discovered in Devon at Kents Cavern in 1927, was re-dated in 2011 to between 41,000 and 44,000 years old. Continuous ...
