

### **The Invisalign System**

Introducing the Invisalign System. When we pioneered the world's first clear aligners, we changed so much more than how people straighten their teeth. Each feature is designed to reveal the smile that you deserve. It's why millions of people have now transformed their lives with our removable, near-invisible aligners. Because it's not just your smile that's full of potential.

### **Invisalign UK - Teeth straightening with clear, nearly ...**

Invisalign® SmileView™ is a computer-generated simulation of what your smile may look like after Invisalign treatment. Actual results may vary. Actual results may vary. The SmileView™ tool is a computer-generated simulation of how your smile might look if you are treated with Invisalign clear aligners.

### **Invisalign Clear Aligners | Invisalign**

The Invisalign system is a combination of proprietary virtual modeling software, rapid manufacturing processes and mass customization, and virtually clear, removable appliances or "aligners" that are used to straighten teeth.

### **The Invisalign System | Palm Desert, CA | Mouthwash 365**

Invisalign® cleaning system \$75.00. Keep your aligners and retainers odor-free, hygienic and clear with the Invisalign® cleaning system. Special cleaning crystals remove plaque from aligners and retainers in about 15 minutes.

### **Invisalign Accessories Shop**

Made to Move. Every innovative feature of the Invisalign System is designed to reveal the smile that you deserve. It's why millions of people have now transformed their lives with our removable, near-invisible aligners.

### **What is Invisalign - Information on the alternative to ...**

The Invisalign system The Invisalign system is the most advanced clear aligner system in the world. Backed by two decades of innovation, the Invisalign system has helped bring smiles to over 6.8 million people including over 1.6 million teens.

### **Align Technology**

Clear aligner treatment has progressed immensely since its inception and Align researchers continue to innovate to improve treatment outcomes with the Invisalign system.
